

AN UNPARALLELED OFFER BY PENSACOLA'S MOST PROGRESSIVE FURNITURE STORE—During the balance of the month of December we will issue an insurance certificate which guarantees that in case of death we will issue a clear receipt for the balance of your account. This applies on all purchases made during the rest of this month. In view of the fact that we give the highest possible value for your money this is the most wonderful offer ever made by any commercial house in Florida. Remember—in case of death the account is cancelled and we give you a clear receipt. This offer positively will not be made after January, 1909. Now is the time for you—husband and father—to grasp this opportunity. You owe this protection to your family. THE PEARL FURNITURE COMPANY makes this offer in presenting this page of "Sensible Gift" suggestions:
